## **\* 6 CLASSES AND 2 CURRICULUMS \***

In our ongoing effort to serve the professional bondsmen and women of Texas, PBT has increased the number of classes to be offered in 2009 to six (6). The ADVANCE course is designed for individuals who have taken the course in the past but want something a little different. **BOTH the BASIC and ADVANCE courses fulfill the requirements of Section 1704.152 and are suitable for anyone in the industry.**

### **BASIC COURSE**

The PBT BASIC TEXAS BAIL BOND COURSE is approved by the State Bar of Texas for 8.0 hours meeting the Bail Bond Surety Licensure requirements outlined in Section 1704.152 of the Texas Occupations Code. This course covers all aspects of the Texas bail bond law and is basically the same as the course offered in previous years. It is **suitable for anyone** in the bail bond profession or interested in learning more about the Texas bail bond laws and regulations.

### **ADVANCE COURSE**

The PBT ADVANCE TEXAS BAIL BOND COURSE is approved by the State Bar of Texas for 8.0 hours meeting the Bail Bond Surety Licensure requirements outlined in Section 1704.152 of the Texas Occupations Code. More time will be spent on specific sections of the law our instructors feel important for bondsmen. There will also be panel formats allowing more time for discussion. However, like the Basic course, the Advance Course is **suitable for anyone** in the bail bond profession.
