Making Our Voice Heard In Austin

Why Invest in Texas Bail PAC?

The Officers and Directors of PBT know that Texas Bail PAC, our political action committee, is one of the most important weapons in our arsenal as we fight to make our voice heard in Austin. Every bondsman in Texas and anyone interested in supporting the work of PBT should participate in Texas Bail PAC...it is an investment in your business and your future.

Commercial bail is under attack like never before and we are in a battle to preserve the bail industry...now and for the next generation of bail agents. As you know from PBT emails, newsletters and updates at PBT Bail Bond Schools, a primary focus is on government funded pre-trial services...some call it "welfare for criminals". It is a tax-payer funded program that has been shown in study after study not to work. We know that bail agents do it better, at no cost to tax-payers, and with a proven record of keeping our streets safe. Of course, we have friends in the legislature who understand and appreciate our important role in the criminal justice system BUT we have to insure that they get re-elected in order to be there to help us in the future.

The best way to join the fight is by making a monthly investment in Texas Bail PAC. Of course, one-time investments are also welcome and any amount will help.

HOW MUCH SHOULD I INVEST?

The easy answer is "how much is your business worth" but honestly, every contribution...even a dollar helps in this fight. You do not have to be a member of PBT to invest in Texas Bail PAC.
